PRESS RELEASE

WELCOME TO THE NEW MANAGING DIRECTOR OF REP DEUTSCHLAND

Corbas France – May 16, 2018

REP international is glad to announce that Thorsten Just has joined REP Deutschland as the new Managing Director. He took over on May 1st, 2018.

He will succeed Mr. Jürgen Sauer, who bids farewell after more than 40 years of dependable and loyal services, in order to enjoy his well-deserved retirement.

REP Group thanks Mr. Sauer for his contribution to the company's activity performance, is grateful for his commitment and input throughout his career and wishes him all the best for his future life.

Thorsten Just, supported by the team of REP Deutschland, will continue to sell the rubber and plastic injection moulding presses as well as the technical support throughout a large territory not only covering Germany, but also Austria, the Netherlands, Switzerland (German-speaking part), Poland, Hungary, the Czech Republic, Slovakia and Slovenia. Together, they will keep on serving our customers to best meet their sophisticated needs.

Thorsten Just

You will have the opportunity to meet him during the 111th anniversary of REP international, which will be celebrated on June 7, 2018 at the head office in Corbas (France). A bargain to concurrently discover the machines of the ranges G9, G10 Core, G10 Extended, RT9 and to participate in the conferences and entertainment programs organised for this purpose.

All those who may not attend the event may join us from July 2nd to July 5th in Nuremberg (Germany) at the DKT 2018 trade show where Thorsten Just will be happy to personally welcome you on our stand 12.0-538.
